Mayors' Assassins' Case, Three Majors, a Captain and a Lieutenant Ordered Before Retiring Board

James J. Gallagher, who shot Mayor Garvey, was subjected to a rigorous examination in the Hudson county jail in Jersey City for two hours yesterday afternoon by Dr. A. McNamee Hamilton and Dr. Carlos F. MacDonald.

Although Prosecutor of the Pleas Pierre P. Garvey is satisfied with the report of the State's attorneys, Dr. William J. Arntz of Hoboken, Dr. John D. McGiff of Jersey City, Dr. George H. Seecamp of Bayonne and Dr. Harry Marion of Hoboken, that Gallagher is mentally unbalanced he declined to hamper him in his efforts to determine the mental condition of the defendant. The selection of Dr. Marion as an intermediary expert was made by friends of the Mayor at the suggestion of the Prosecutor that a supplemental examination should take place.

Dr. Cotton and Dr. John Kelly of this city, assistants to Dr. Arntz, and Dr. George J. Vickers were present while Dr. Hamilton examined Gallagher. Alexander Simpson, the defendant's counsel, was unable to be on hand. What Dr. Hamilton's conclusions were could not be learned.

Gallagher will be arraigned for trial before a coroner's jury the day after Christmas next. There is no time limit in an indictment for accusation of Mayor's Commissioner Edward J. Edwards, who is said to be in the hospital.

Under the new policy, however, practically every feature of an officer's qualifications will be passed upon by the board. Under the ruling of the Secretary of War, an officer who is temporarily unfit for active duty or who is in the opinion of his superiors and the Department officers incapable of physical activity may be placed on a formal retirement board to determine his fitness for remaining on the active list.

Storage Batter Cars on 28th Street.

The Third Avenue Rapid Transit Company will start this morning running storage battery cars regularly on the Twenty-eighth and Twenty-ninth street cross-town line, formerly controlled by the Metropolitan. The earthenware seating capacity of twenty-six passengers. They are of the same type as those installed on the 10th street line a month ago. The Third Avenue has twenty cars of this type ready for service. Today, eighth seat cars are used, and will be used in most of them as the traffic warrants. The batteries are under the seats. They will be given a rest period after the air pump has been worked a few hours longer.

Four Men in Blue Found Dead.

DENVER, Dec. 17.—After several dangerous work the Government of men to-day succeeded in putting out the burning. In a fire which had been burning for more than a week, the soldiers too great care to save the building, so they have to leave it alone and the rescuers will have to make another attempt after the air pump has been

worked a few hours longer.

Third Avenue Intersections.
